The employers baye introduced colored miners and the charged and their demands acceded to. The The working under the protection of military. No disturbance has occurred as yet, but the situation is considered critical.

> > The rapid absorption of newly arrived immigrants is shown by the fact that, although over seventeen thousand landed New York was deserted in the latter part of the last week, and many applications for help were kind in New York or neighboring cities.

A volumble let, expende the premiers of Nr. fearnest ton small, well to small the days when every man considered it has already ment to make a small to small an infinity and eternity, were connecd in the crowd. Loss of londers completed to the month of Froze-to-Death teaches the contrary, says the New York here now, and when we say loafers we mean the crowd. Loss of londers are many that the days when every man considered it has a duty to know all about infinity and eternity, were connecd in the crowd. Loss of londers completed to the month of Froze-to-Death teaches the contrary, says the New York here now, and when we say loafers we mean tracks.
